### Take the burden off your shoulders

#### Quick ditch safety

Designed and built based on feedback from medics who would like to see improvements in available options.

- Eliminate carrying 2 packs
- Fast access to lifesaving kit
- Enhance safety for the medic

This pack is built to solve the problems that medics experience with other packs.

- Space for sustenance kit
- Organized, easy-to-see and access pouches
- Patented Integrated Load Carriage System is consistently sighted as more comfortable than the leading pack. With an AttackPAK your gun belt is your pack support eliminating back pain, numb fingers, while still allowing quick ditch.
